

# Simply Sensational!

The new and unique Apex window blind

# Apex blinds... a unique way to furnish your windows!

Apex Ball Black

The Apex window blind represents a unique way to furnish your windows and creates a whole new dimension to interior design

This high impact window dressing looks great in any window, large or small - lounge areas, dining rooms, bedrooms, kitchens and even conservatories. All these interiors will be enhanced by the installation of Apex window blinds.

The contemporary, strong lines of the 50mm pleats provides a clean and elegant look that opens up new decorating possibilities for the modern home.

There is minimal stack height when the blind is up for even greater light control during the day, and then when down the Apex fabrics look absolutely stunning.

Apex blinds are sure to satisfy all tastes and co-ordinate with the current design trends, as well as providing superior sun protection in summer and extra insulation in winter.

Apex window blinds, stylish & contemporary.

**"The unique, oversized pleats create a stylish and contemporary look that co-ordinates perfectly with current interior design schemes."**

# Create a stunning effect...

...and save money with thermal efficient window blinds

Apex: Aura Gold

## Cooler in summer and warmer in winter...

Each of our fabrics has been tested and given an energy rating classification of 1, 2 or 3.

- 1: High level of insulation and energy save up to 11%\* per year on energy bills
- 2: Good level of insulation - save up to 9%\* per year on energy bills
- 3: These fabrics will save up to 8%\* of your yearly energy bills.

\* Figures based on a 3 bed single glazed detached home. Ask your window blind supplier for more details

Potential home energy savings using Louvolite fabrics

The window on the left has energy saving window blinds installed, providing insulation and reducing energy wastage.

# Make a Statement...

...with dramatic Apex window fabrics that will transform any room

### Child Safety

Safety in the home is a primary concern for us all especially where young children are concerned, so to minimise the risk of unfortunate accidents we recommend the use of child safety options on all Apex blinds such as cord and chain tidy, cord and chain cleat, bell toggle and easy break chain connectors.

Apex Panama Olive
