

Adding value to your lifestyle & property

Our Vision

We are the go-to company for all outdoor structural home improvements in the Greater Cape Town & Gauteng areas, whose core business is all about improvement and adding value to your lifestyle and property as the homeowner. With our skilled, engaged management, committed sales team & trust-worthy, trained installation team, we walk the talk of our respected brand and ensure that you the client are always delighted having engaged with us.

Our Purpose

We work out of our own outdoor lifestyle-based business that is profitable, professional, business savvy with successful, motivated staff who work within the culture of the brand to add value wherever we go

Our Mission

Dan-Neil Lifestyle Awning Solutions is a team of committed, positive, professional, successful individuals that work hard and cooperatively to add the most value to your outdoor lifestyle & property from the first point of contact to the satisfactory completion.

We are committed to challenge solving not problem causing

Our products & services are world class, delivering value for money & give back to the home owner in lifestyle improvements & added value to property

We are all about continuous improvement (building relationships, training in all relevant areas, keeping updated with new products, building regulations, equipment, complimentary products)

Company Values

- **Substance**- all we do is characterised by professional delivery, fierce commitment to the highest standards of quality. Value of people (staff & clients)
- **Resilience**- short cut, short term or short changed are not in our vocabulary
- **Integrity**- being people of our word, walking the talk
- **Gratitude**- acknowledging all we have received & taking nothing for granted
- **Fun**- creating an environment that is enjoyed, appreciated and positive
